SINGERS

**Johannes Brahms** was a great musical historian, collecting and editing music by many of his famous predecessors. In this concert, his monumental *Ein Deutsches Requiem* is preceded by a series of motets and songs by composers known to Brahms, which illuminated his influences in the composition of this masterful work. The programme includes music by Heinrich Schütz, J S Bach, Fanny Mendelssohn and Clara Schumann.

Miriam Allan  
Soprano

Marcus Farnsworth  
Baritone

Libby Burgess  
Piano

William Vann
