Whilst 2 officers from Shepherds Bush Green Ward were out patrolling there ward one day, they recognised a car that had been seen dealing drugs on REDMORE ROAD and managed to get the car stopped. The vehicle was searched for Drugs and Class A Drugs and cash was found in the vehicle.

The Male driver was arrested for Possession With Intent to Supply Class A Drugs and was later interviewed about the matter. This Male was charged with the offence and has since been to court and is serving a prison sentence for the crime.

This is a great job all round. We continue to patrol the street.

E-SCOOTERS

What is the law on e-scooters?

Currently in the UK you can buy an e-scooter, but you cannot ride it on a public road, cycle lane or pavement. The only place it can be used is on private land. The reason for this is that e-scooters are treated as a motor vehicles by the Department of Transport and are subject to the same legal requirements as other vehicles, such as MOT, licencing, tax and insurance. Because they don't always have number plates, signalling ability or visible rear lights, they cannot be used legally on the roads.

What Happens If I am Stopped by the Police?

The police will advise you on the law and may ask you to take your e-scooter home. They may, however, still penalise you depending on the seriousness of the offence. If caught riding an e-scooter, fines you may receive can include:

- * A Fixed Penalty Notice for no insurance, with a £300 fine and fixed penalty points.
- * A Fixed Penalty Notice for no driving licence, up to £100 fine and three-six penalty points.

Other offences which may result in penalties include riding on the footpath, using a mobile phone, riding through red lights and drink driving offences. To find out more, visit www.met.police.uk/e-scooters

WARD CRIME UPDATE

Theft from Motor Vehicle

We are continuing to see an increase in Theft from Motor Vehicle particularly along the King Street corridor, Weltje Road, Rivercourt Road, Beaver Lane and surrounding streets. Most of the Victims are visitors to the ward area. We are continuing to patrol these areas.

Theft of Parcels

We had a report of a Male stealing parcels from the doorstep of a residential property's. CCTV footage was provided and from the picture we had of the suspect he was ID by one of our SNT Officers. The Male was then invited in for an interview and was later charged with the offence.

Drugs

We have received a number of reports of persons dealing drugs within the walled gardens of Ravenscourt Park. We have carried out regular patrols and stopped and searched several people in the area. We also had reports of drugs users in the conservation area of the park using drugs. We have patrolled this area and stopped a couple of known drug users. With regular patrols in the park this deters the drug dealers and users from coming back.

It can still be seen by prying eyes as they pass. Ensure that all windows are closed. Ensure that all doors are locked and alarms activated.

ASK for ANGELA

This has been rolled out to clubs, bars, and licensed businesses across London. People who feel unsafe, vulnerable or threatened can secretly seek help by approaching venue staff and asking for 'ANGELA'. This code phrase will indicate to staff that they require help with their situation and then a trained member of staff will then look to support and assist. The support could be reuniting with a friend, assisting with taxi, calling venue security or police.

ASK FOR ANGELA

THEFT PEDAL CYCLE

We are still seeing a small number of bikes being stolen on the ward.

HOW TO PROTECT YOUR BIKE

Don't leave your bike unattended at any-time. Double lock your bike using 2 locks instead of one. We suggest you use 2 x D-Locks. If you are locking your bikes in a garden shed makes sure they are chained up ideally to an anchor point within the shed. Make sure you have a picture of your bike and note down the serial/frame numbers.
